LICENSURE

Psychologist—State of Washington, Active WA#2013
Psychologist—State of Alaska, Active AK#665
Psychologist—State of California, Inactive and Renewable
Chemical Dependency Professional—State of Washington, Inactive and Renewable

EMPLOYMENT

9/2007-Present. Argosy University; American School of Professional Psychology. Seattle Campus. Departments of Clinical and Counseling Psychology. Graduate school teaching, advising and chair of dissertation committees.

9/2007-Present. Center for Systematic Therapy and Research Services Inc. (Previously dba Moore and Associates, LLC). A counseling clinic in Federal Way Washington that is organized under the American Psychological Association's Counseling Psychology Clinic guidelines. Organized university-level research group continuing research initiated at the University of Washington and Johns Hopkins University.

10/2005-9/2007: Johns Hopkins University; Bloomberg School of Public Health. Baltimore MD; research site in Federal Way WA: Faculty assignment to the Center for Youth Violence Prevention; Department of Mental Health; Assistant Research Scientist. Department Chair William Eaton, (410) 955 3908.

2004-2013. National Program Evaluator, White Bison, Colorado Springs CO;

- **Washington D.C.** Program Evaluation Technical Assistance for the Substance Abuse and Mental Health Services Administration; Center for Substance Abuse Treatment. One of a three-person consulting team directed by Altarum Associates. Provide program evaluation training and mentoring to Recovery Community Service Program networks developing systems of care under four-year grant cohorts beginning in 2004, 2006, and 2007. This represents 22 grants in 15+ states totaling \$8 million in project awards.
- **Colorado Springs Colorado.** Four-Year Project with written evaluations and journal articles on multicultural strategies. Project Evaluator for national tribal initiatives in a minimum of 15 states funded by SAMHSA, Center for Substance Abuse Treatment.

2007-2013. New York Daily News. Weekly Addictions Columnist. "*Addictions and Answers*"; *New York Daily News*; Health Section; David Moore and William Manville, co-authors.

7/1987—9/2005, University of Washington. Seattle WA.

Associate Director, Center for the Study and Teaching of At-Risk Students; College of Education (Safe and Drug Free Schools and Communities). Supervisor: Dr. Brad Portin (206) 221-3454. Continuous Employment, except 1999-2001 [See UC-San Diego teaching, Scripps Health administration, sections below].

Recent Evaluation, Inquiry and Research Projects:

- **Juneau Alaska.** Thirteen-Year Project [2002-2013]; Principal Investigator. Communities-in-Schools national demonstration grant [\$3.4 Million aggregate; 2002-2013¹] primary care-centered behavioral health systems of care in PCP clinics networked to local schools [including private schools and home schoolers]. Primary local partners: Juneau School District Board of Directors; Central Council of Tlingit and Haida Indian Tribes of Alaska. Primary state partner: Department of Education and Early Development

¹ United States Department of Health and Human Services; Center for Substance Abuse Prevention, Substance Abuse and Mental Health Services Administration; *Grant # 2 SP12110-05* [CFDA No.: 93.276].

- **Selah and Federal Way Washington.** Five-Year Project [\$1 million; 2003-2008², 2004-2009³]; Project Director to export the standardized, quasi-experimental, demonstration system developed in Juneau Alaska, with expansion into a specialized project to implement a full early intervention continuum of outpatient, intensive outpatient, day treatment, residential treatment and dual disorder chemical dependency services integrated with Selah School District educational resources and an urban village prevention design with Federal Way Schools.

Historical Research Projects relating to published research portfolio:

- **Riverside California.** Serving as the Formative Evaluator to seven school districts restructuring their prevention-treatment system under the guidance of Riverside County Department of Education and U.S. Department of Education (Safe Schools and Healthy Students), 2001-2006.
- **Hugo Oklahoma.** Serves as design consultant to national rural demonstration site for school-agency Behavioral Health System of Care. Proposed site is the integration point for Choctaw Nation and Oklahoma State SAMHSA Systems of Care grants; within a USDOE Safe Schools/Healthy Students national model, 2001-2003.

Clinical Practitioner History

1. College of Education; 1987-2006 with the Center for the Study and Teaching of At-Risk Students. Substance abuse prevention and treatment specialization, including integrated adult and youth treatment delivery systems. Developed two youth residential treatment programs; chemical dependency, Yakima WA; dual chemical dependency and mental health; Oahu HI. Developed an adult residential chemical dependency and mental health program, Yakima WA (*see Olympic Counseling and Scripps, below*).
2. Received and managed federal grants totaling \$3 million +; with Director or Investigator Status, with focus on integrated behavioral health care (*see SPECTRUM Health, below*)
3. Received and managed state grants to develop an outpatient treatment system (*see Olympic Counseling Services, below*).
4. Authored juried journal articles reviewing a range of family and youth substance use disorders, directed comprehensive youth and family treatment systems (*see Comprehensive Mental Health, below*)
5. Directed research for U.S. Department of Education and HUD, with teaching of outcomes (*see University of Puget Sound, below*)
6. Developed an assessment process for youth chemical dependency evaluation effective for DSM-IV and American Society of Addictive Medicine paradigms (*see Olympic, Scripps*)

EMPLOYMENT [Non-University Related]

- 12/2010-Present, Integrated Pediatrician and Primary Care Psychology; **JUMPP LLC**, integrated physical and behavioral medicine network; Juneau, Alaska.
- 7/2007-Present, Weekly Addictions Columnist. “Addictions and Answers”; *New York Daily News*; Health Section; David Moore and William Manville, co-authors.
